

## Why own efforts when you can buy it ? Save Time ! Benefit from our experience !

Dear Customer,

A new year has begun and chemists are forced to face new chemical challenges. Priaxon wants you to profit from our expertise in synthesis and distribution of isocyanide-based building blocks. As world-wide leader in providing of isocyanides, Priaxon is your partner in realizing your projects in isocyanide-based chemistry.

Priaxon offers more than 1000 isocyanide-based building blocks from diverse structural classes ranges from aliphatic, phenylic and benzylic to multifunctional compounds such as cleavable and amino-protected isocyanides in order to support our customer lead evolutions, screening programs and scale-up processes.

In order to offer a maximum of diversity for isocyanide-based chemistry, Priaxon updates its product catalogue in regular periods of time to make building blocks provided with new unique structural properties accessible for our customer's chemistry.

Quality assurance

Profits of Priaxon building-block service

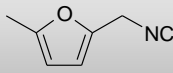

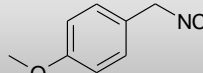

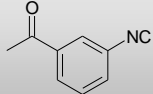

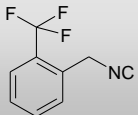

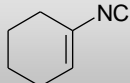

Competence in  
isocyanide synthesis

Savings in time and money

Isocyanide-based building  
blocks on demand

Confidentiality and reliability

### Brief assortment of compounds from our current product catalogue:

5-Methylfurfuryl-isocyanide	4-Methoxybenzyl-isocyanide	3-Isocyanacetophenone	2-(Trifluoromethyl)-benzyl-isocyanide	1-Cyclohexenyl-isocyanide
				
PRIA-NC-6	PRIA-NC-21	PRIA-NC-80	PRIA-NC-256	PRIA-NC-664

Our products are available in multigram quantities: 1g – 5g – 10g. On demand bulk quantities! For further questions please do not hesitate to contact us ( [contact@priaxon.com](mailto:contact@priaxon.com) ) and visit our homepage [www.priaxon.com](http://www.priaxon.com)

**Over 500 Isocyanides permanently in stock !!!**

**Delivery within 2 days !!!**
